

Washington, DC - Rep. Bruce Braley (D-Iowa), released the following statement today in honor of Labor Day:

"On Labor Day, we celebrate America's hard-working men and women and we remember those who have sacrificed before us. America's workers drive our economy and keep us safe and secure. Our working families deserve fair wages, safe working conditions, and access to quality health care, and I will keep working each day to ensure that these ideals become a reality for every working family."
